VENEZIA

CAFFE PIZZERIA RESTAURANT

Ugostiteljskom djelatnošću smo se počeli baviti davne 1992. god.

Djelatnost smo obavljali u iznajmljenom prostoru da bi 1999. godine preselili u vlastiti prostor. Od 1999. do 2014. godine je bila klasična pizzeria, da bi od 2014. upotpunili našu ponudu sa a la carte jelima: žrnice, tjestenina, pite, kolači, torte, sendviči. Revoluciju u našem poslu smo napravili sa nadaleko poznatim PIPI sendvičem i uslugama cateringa.

Od 2015. godine u ponudi je izdvojeni prostor koji iznajmljivamo za privatne zabave. Od 2018. godine u fazi smo proširenja kapaciteta sa sadašnjih 80 za oko dodatnih 70 sjedećih mjesta, a ambijent smo upotpunili novom ljetnom baštom. U 2019. godini proširili smo prostor kupovinom susjednog prostora i spajanjem s Veneziom te zaposlili nove jelatnike i proširili ponudu.

Zahvaljujemo se što ste naši gosti i drago nam je da upravo Vi sjedite tu kod nas i sada ovo čitate.

Želimo Vam dobar tek i ugodne trenutke koje ćete pamtiti kao lijepe uspomene.

We started our business back in 1992 and at the beginning it was in rented place.

In 1999, we moved into our own place. From 1999 to 2014, it was a classic pizzeria but from 2014 we have complited our offer with a la carte meals: : steaks, pastas, pies, cakes and sandwiches. We have revolutionized our business with the widely known PIPI sandwich and catering services.

Since 2015, we have been renting place for private parties.

Since 2018, we have been working on capacity expansion from the current 80 to additional 70 seat places, and we have complemented the ambience with a new summer garden. In 2019, we expanded the space by purchasing the neighboring place. Also, we hired new employees and expanded the offer.

Thank you for being our guests and we are pleased that you are just sitting here with us now reading this.

We wish you a good time and enjoyable moments to be remembered as fond memories.
